

Greene Rod and Gun Club IDPA 9-12-2015

		Round Count	Limited?	distance (yards)	Stands	Sticks	Bad guys	Special bad guys	no shoots	Strong weak hand	barrels	pepper popper	table and chair	Walls	Other props and alterations.
Pit 1 100yd range	Five Down	15	no	3 to 9 yds	4	8	6		1	no					bianchi barricade
Pit 2	Heads or tails	12	YES	9 yds	6	12	6		0	no					Coin to flip, start with back to targets
Pit 3	Construction site	16	no	2 to 22	9	18	8		2	no	10				bianchi barricade, shoot thru barrel, carpet for P4 prone. May need to substitute a wall section or use another bianchi barricade due to barrel shortage.
Pit 4	Port hole plinkin	14	no	3 to 10	10	20	8		2	Strong and weak				P1 box	For head shots on T1 and T2 we should utilize used targets with good heads. Use old targets without heads and black paint for special cut-out ports at P2 and P3, or else get black corrugated plastic from Raymond and cut port holes. P1 box, use more Black plastic from Raymond?
Pit 5 top of hill	Platos retreat	12	YES	2 to 15	3	6	3		0	no	3				P3 Kneeling pads and provide chair as alternate to kneeling at P3.
total		69			32	64	31	0	5		13	0		0	

As of July 2014, Berm has been improved between pit 4 and pit 5 (100 yard range). Now more able to use taller targets and less worries with steel.

Total inventory of items available:

44 stands, 88 sticks.

1 double swinger, 1 out and back that can be converted to a swinger, 1 turner, 2 large 42" pepper poppers, 1 small pepper popper.

2 falling man targets.

1 wall (We have dark green snow fence to use to build more walls. Need treated lumber and steel bases and steel reinforcement brackets for corners)

how many barrels to we have???
