

4. PEEK-A-SHOOT

RULES: IDPA

COURSE DESIGNER: Jeff Chimileski, March 2019

START POSITION: Load to division capacity. Shooter at P1, hands at sides, facing targets.

Scenario: Peeking is not allowed in our neighborhood.

Scoring: Vickers (not limited)

Round Count: 13 minimum

Targets: 6 IDPA, 1 popper

Target distance: 3 to 10 yards.

Scored hits: Best 2 on each paper

Concealment garment: Required.

STAGE PROCEDURE: At the signal, draw and fire 2 shots at each paper, MUST shoot near to far.

SETUP: 42 inch popper at 10 yards activates both movers. When T6 swinger stops, less than 50% of the down zero zone is seen if lean fully to the left. Set T1 and T2 low enough to avoid shoot-through.
